

THE HUNT FOR TREASURE!

Fine day for sailing!

Aye, aye captain! We'll get to
Treasure Island in no time at all!

I'm so excited to play on the beach.
I want to get there tomorrow!

According to the map, you can!

Wait, it's my job to read the map.

But it's my job!

Guys, calm down. We all have special jobs, but if we want to be a good pirate crew, we need to be flexible and work together.

Bear, are you feeling alright?

Actually, my stomach feels weird! Is it just me, or are the waves getting bigger?

STORM INCOMING! BATTEN
DOWN THE HATCHES!
RAISE THE SAILS!

BRACE FOR IMPACT!

AHHHHHHHHHHH!

Calm down! Stick to the plan! We
know how to deal with storms!

I can't calm down! There is
too much going on, and I am
really overwhelmed! AHH!

You know what to do, Bear!
Take five deep breaths!

A cartoon illustration of four anthropomorphic animals in a small wooden boat on dark blue, choppy waves. From left to right: a pink horse with a mane, a grey dog with a white patch, a brown bear, and a grey monkey. The monkey is speaking from a white speech bubble. The background features three dark teal clouds and a yellow lightning bolt on the right.

Okay, I'm feeling
calmer... I can do this!

Good! I'm going to need
your help to fix the
flagpole!

This was unexpected, but I'm calm, and I know what to do.
Aye, aye captain!

Suddenly, Horse fell down.

Ouch! My hoof!

Oh, no! Someone get the medic!

I'm the medic.

Oh, no! Do we have another medic?

No! I'm the only medic!
You have to help me, Dog.

But I don't know how to do your job!

I can give you the steps,
but you have to do them!

Okay...

First, get some bandages...

Horse talked Dog through helping them.

Wow, that feels better already!

I'm sorry we don't have a
medic for the medic.

That's okay! It was an unexpected situation, but you helped me out. Thanks for being flexible, Dog.

The storm passed, and the waves calmed down.

Wow, I'm glad that's over!

I think the sun is coming out! It's great beach weather! Speaking of beach weather, are we close, Dog?

No? What happened?

The storm must have
pushed us off-course! It'll
be another few days.

What? That wasn't part of the
plan! I want my treasure!

You'll have to be patient--

I don't want to be patient!
Throw Dog overboard!

WHOA!

I don't care. I'm so, so, so...

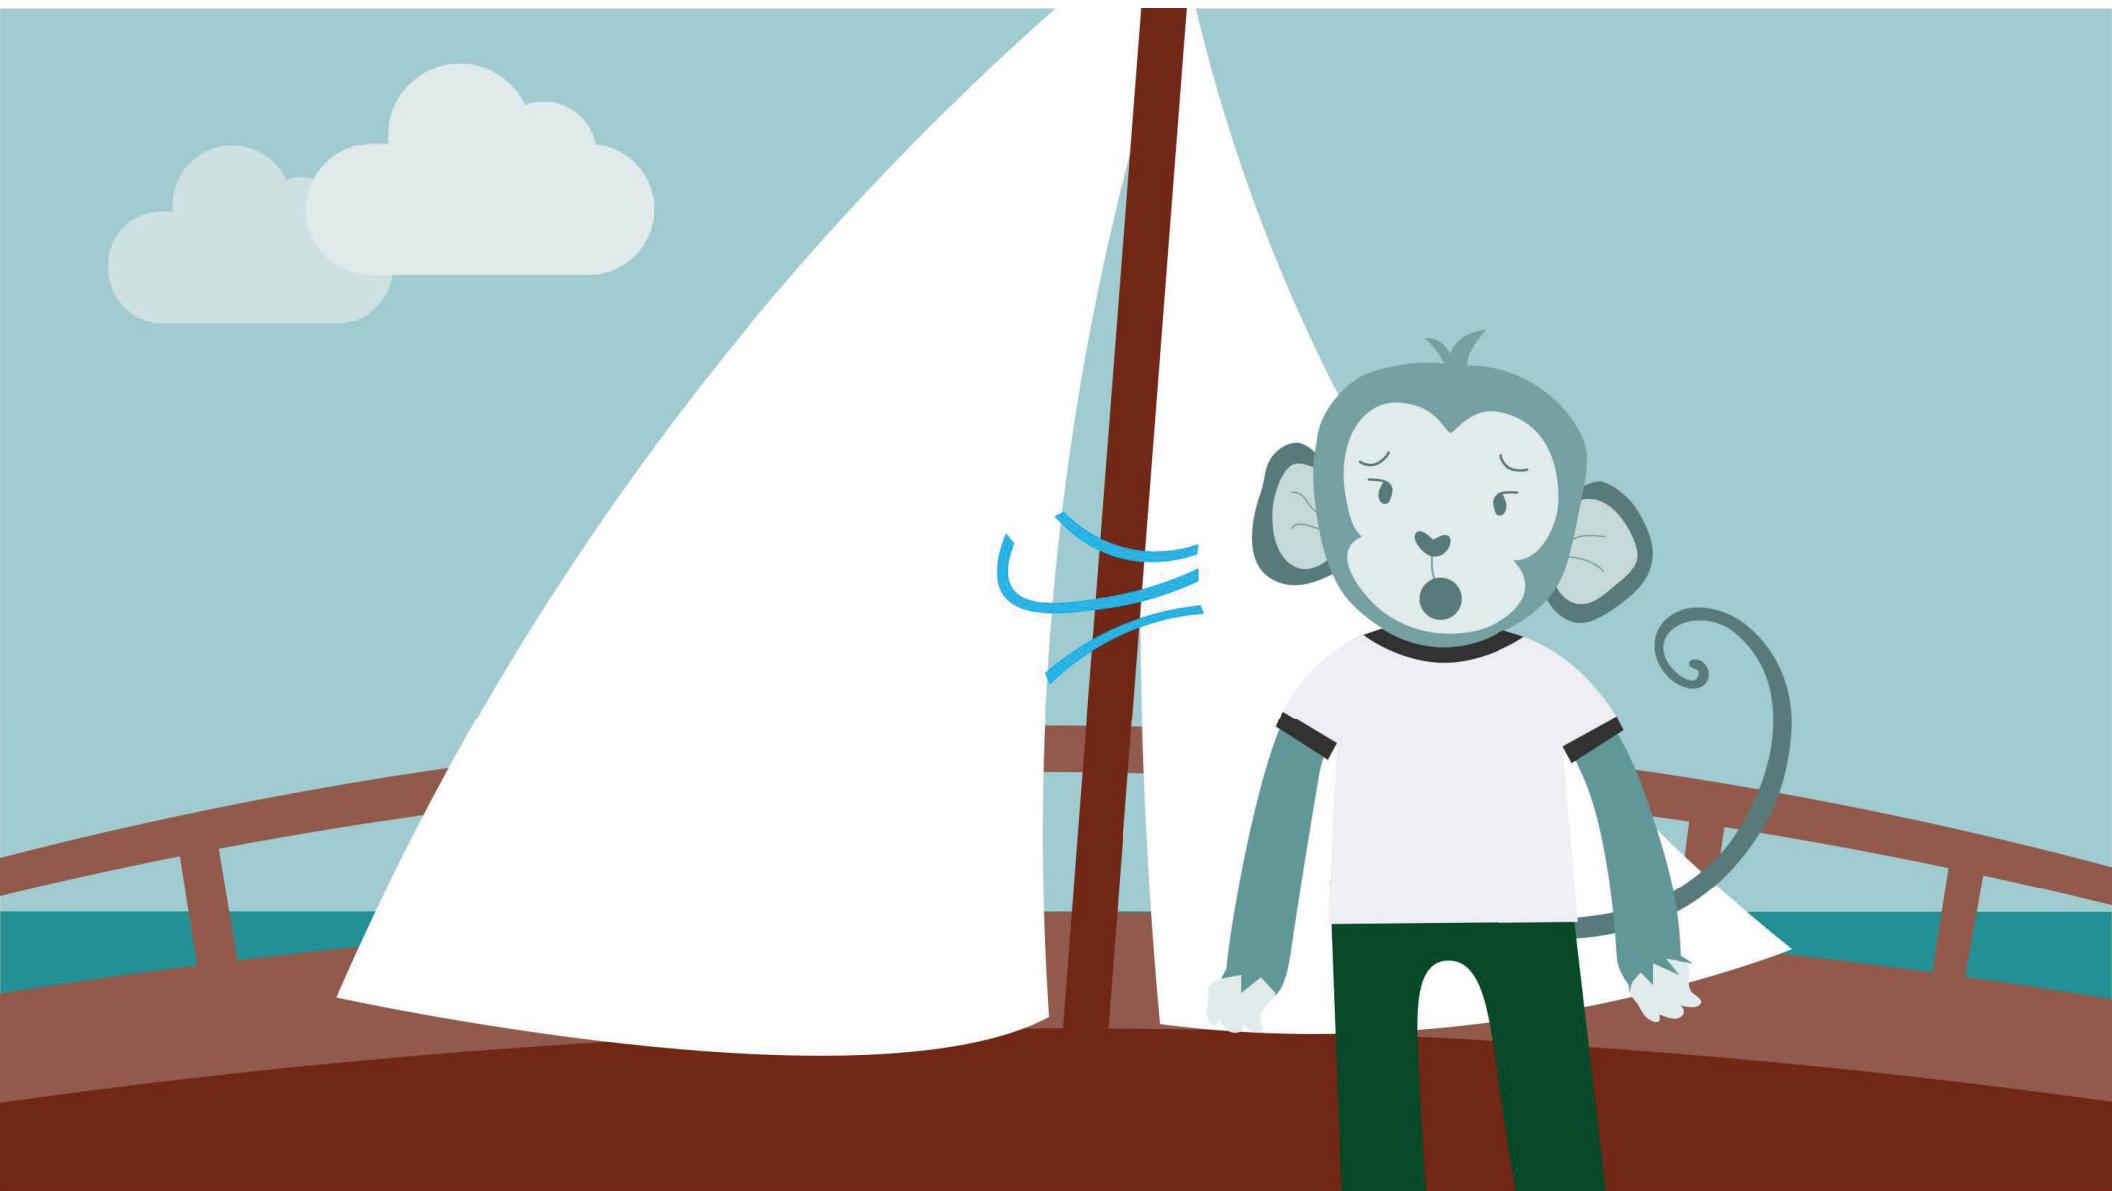

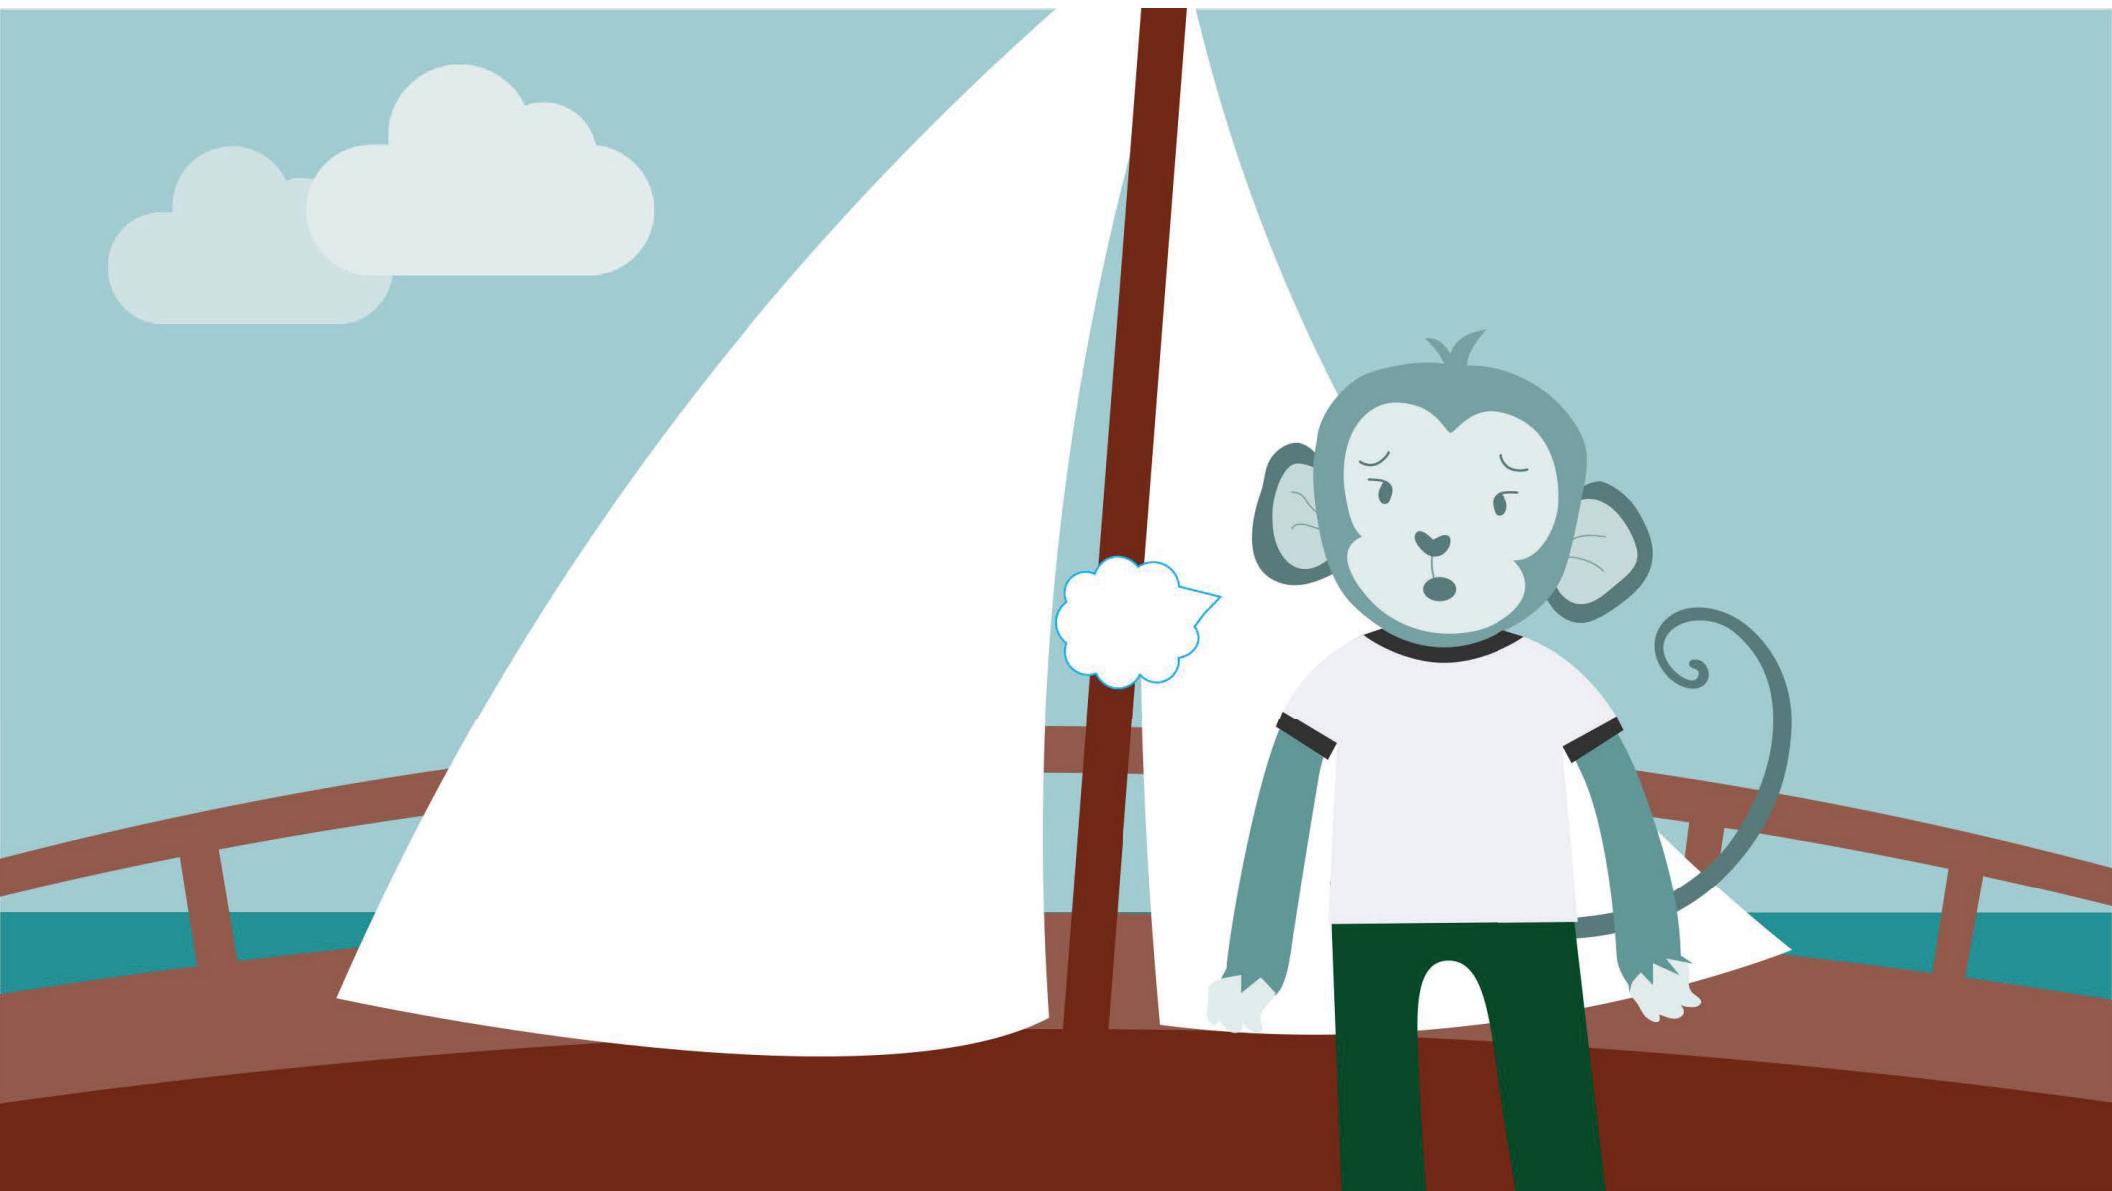

So what, Monkey?

Take five deep breaths, Monkey!

I'm not angry anymore,
but I'm disappointed our
plan didn't work out.

It's okay, Monkey. We can make a new plan... right?

Okay. New plan. Let's see where we are and how far it will take to get to the island. Dog?

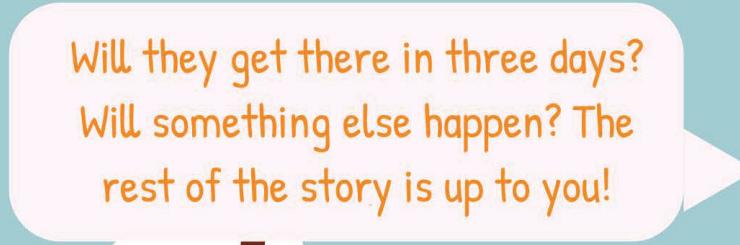

Three days!

We have enough food until
then. We'll just have to spend a
little more time on the boat.

Hopefully we'll be
there in no time!

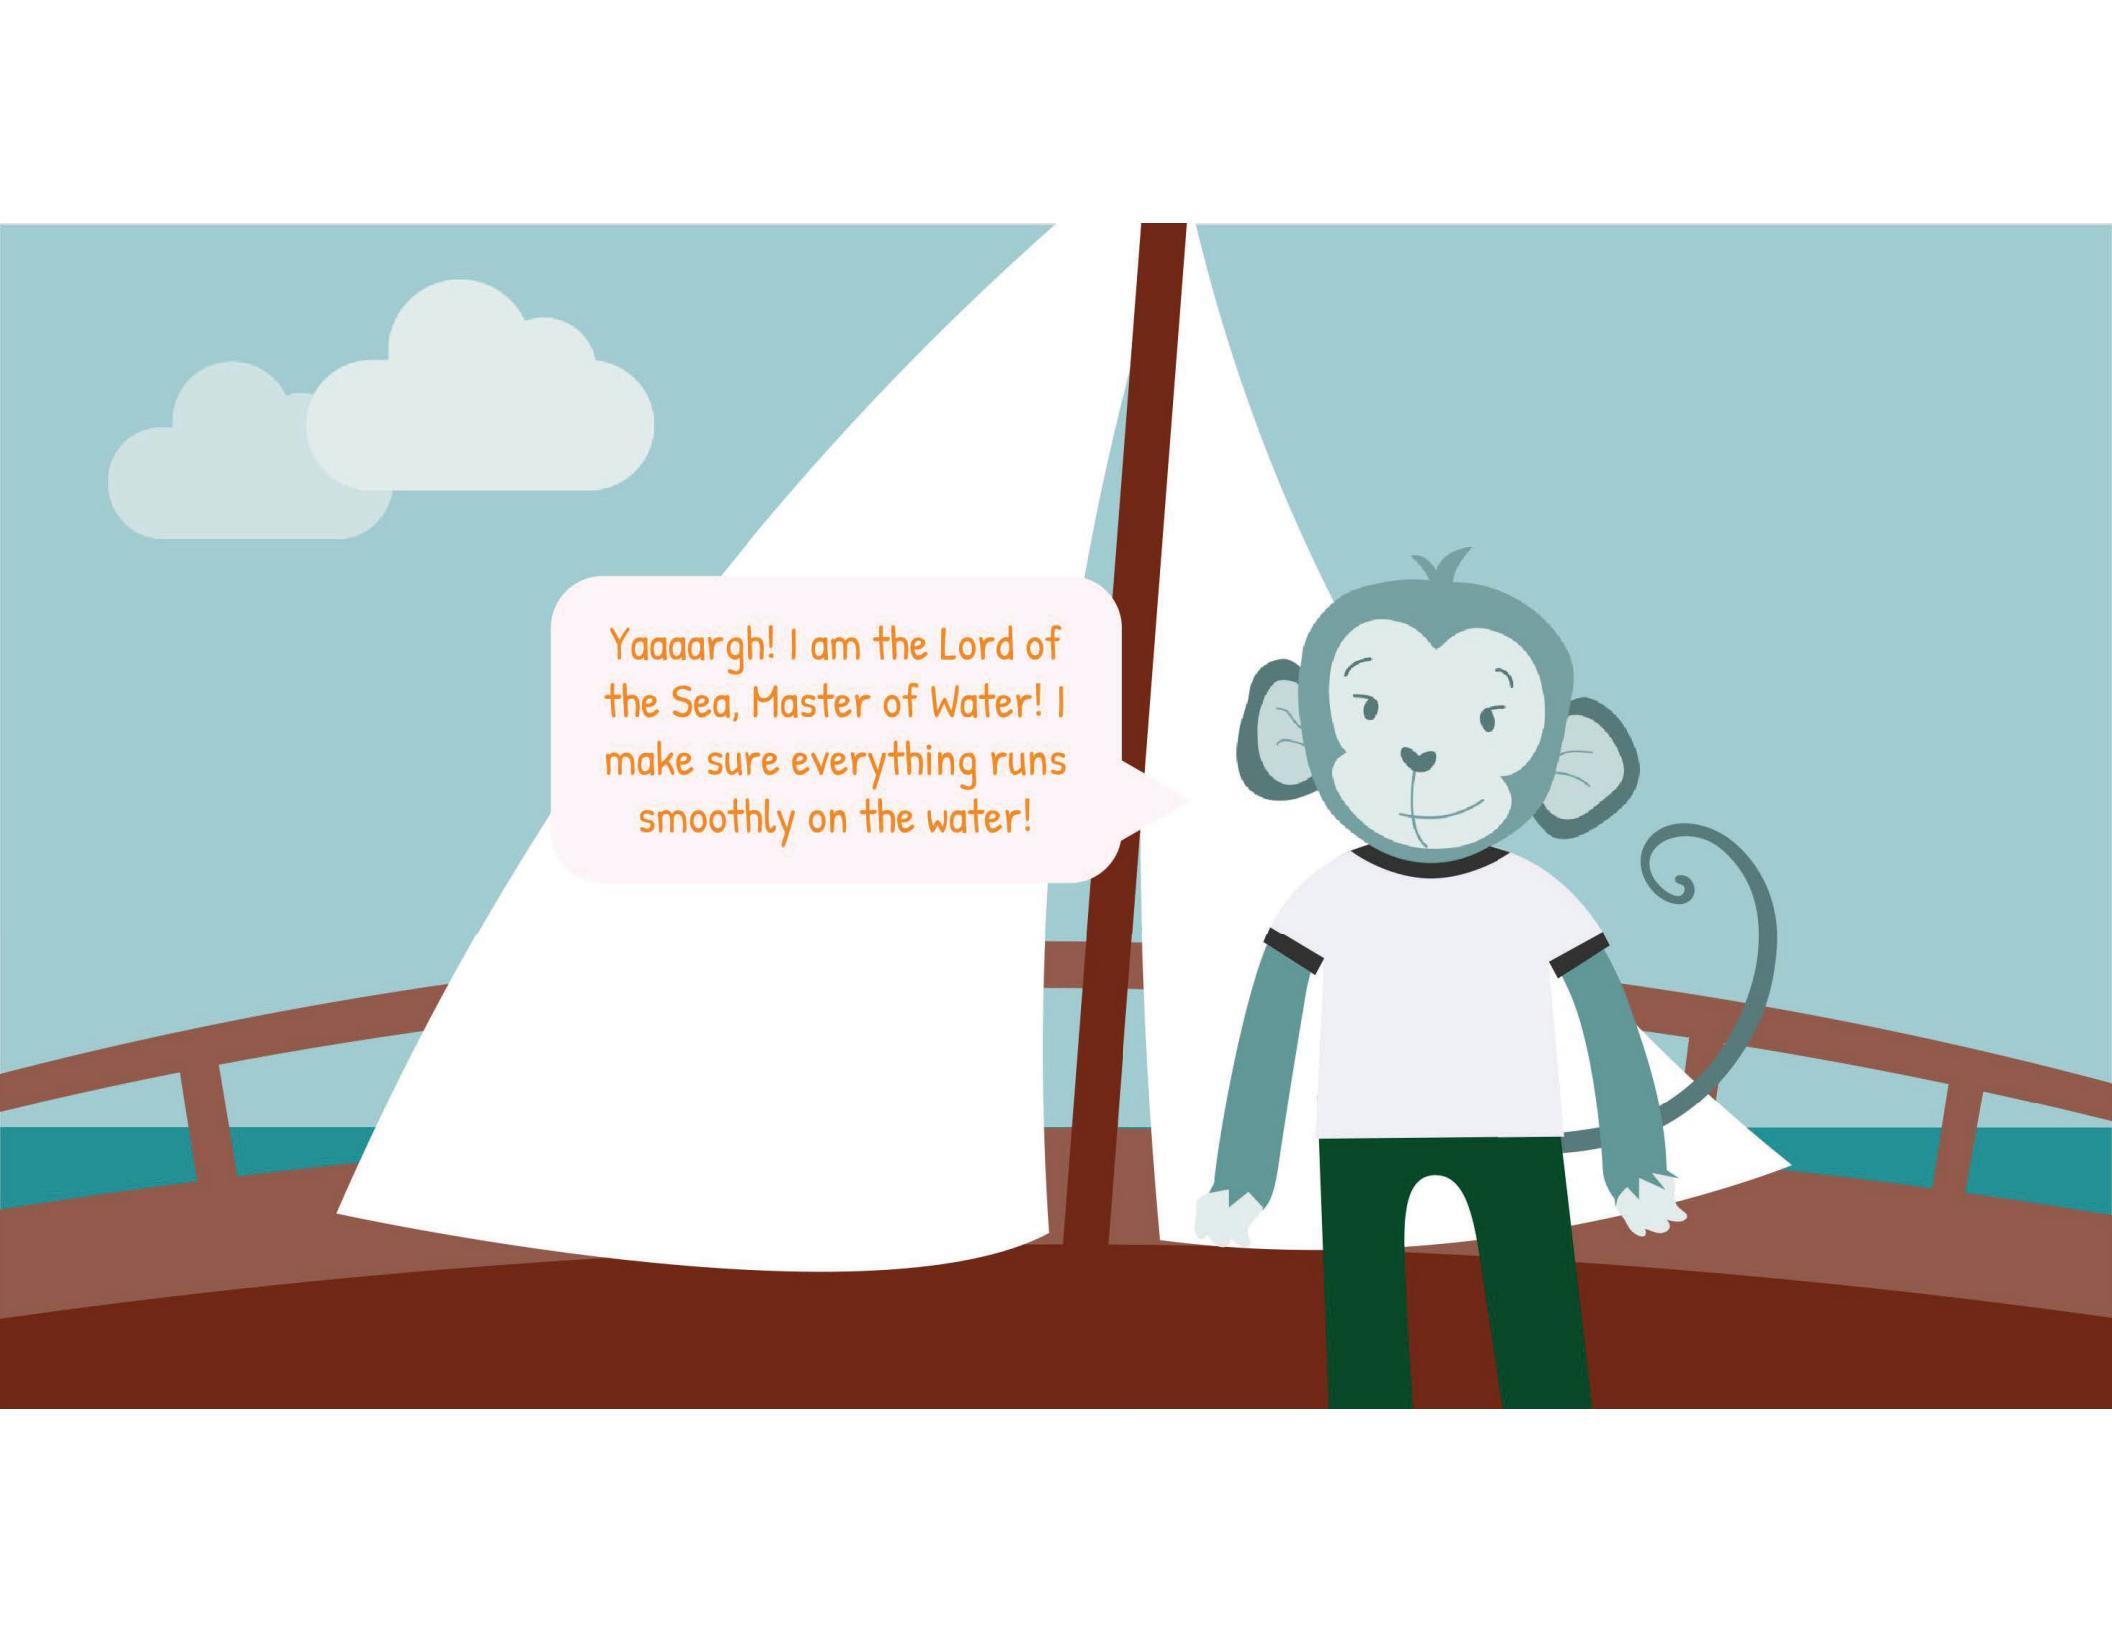

Will they get there in three days?
Will something else happen? The
rest of the story is up to you!

THE END

Yaaaargh! I am the Lord of
the Sea, Master of Water! I
make sure everything runs
smoothly on the water!

Ahoy, mateys! I am the
navigator! I make sure
the boat is heading in
the right direction!

I am the boatswain! I make
sure everything on-board
is ship-shape! If anything
is broken, I fix it!

I am the medic! I make
sure everyone's feeling
alright on the boat!
