

THE HUNT FOR TREASURE!

(focused)

The pirate crew has set sail to find Treasure Island! Captain Monkey has been keeping an eye on their crewmates! Dog, the navigator, has been making sure they stay on-course to Treasure Island! Bear is the boatswain. They make sure everyone on-board is ship-shape! Horse, the medic, makes sure everyone is feeling alright on the boat!

OH NO! STORM INCOMING!
BATTEN DOWN THE HATCHES!
RAISE THE SAILS!

From left to right: a pink horse wearing a blue and white striped shirt; a grey dog wearing an orange vest; a brown bear wearing a purple tank top; and a grey monkey wearing a green t-shirt. The boat has a single mast. In the background, three dark teal clouds are scattered across a light blue sky. A bright yellow lightning bolt strikes from one of the clouds on the right side. A white speech bubble with a black outline is positioned above the bear, containing the text "BRACE FOR IMPACT!" in orange capital letters.

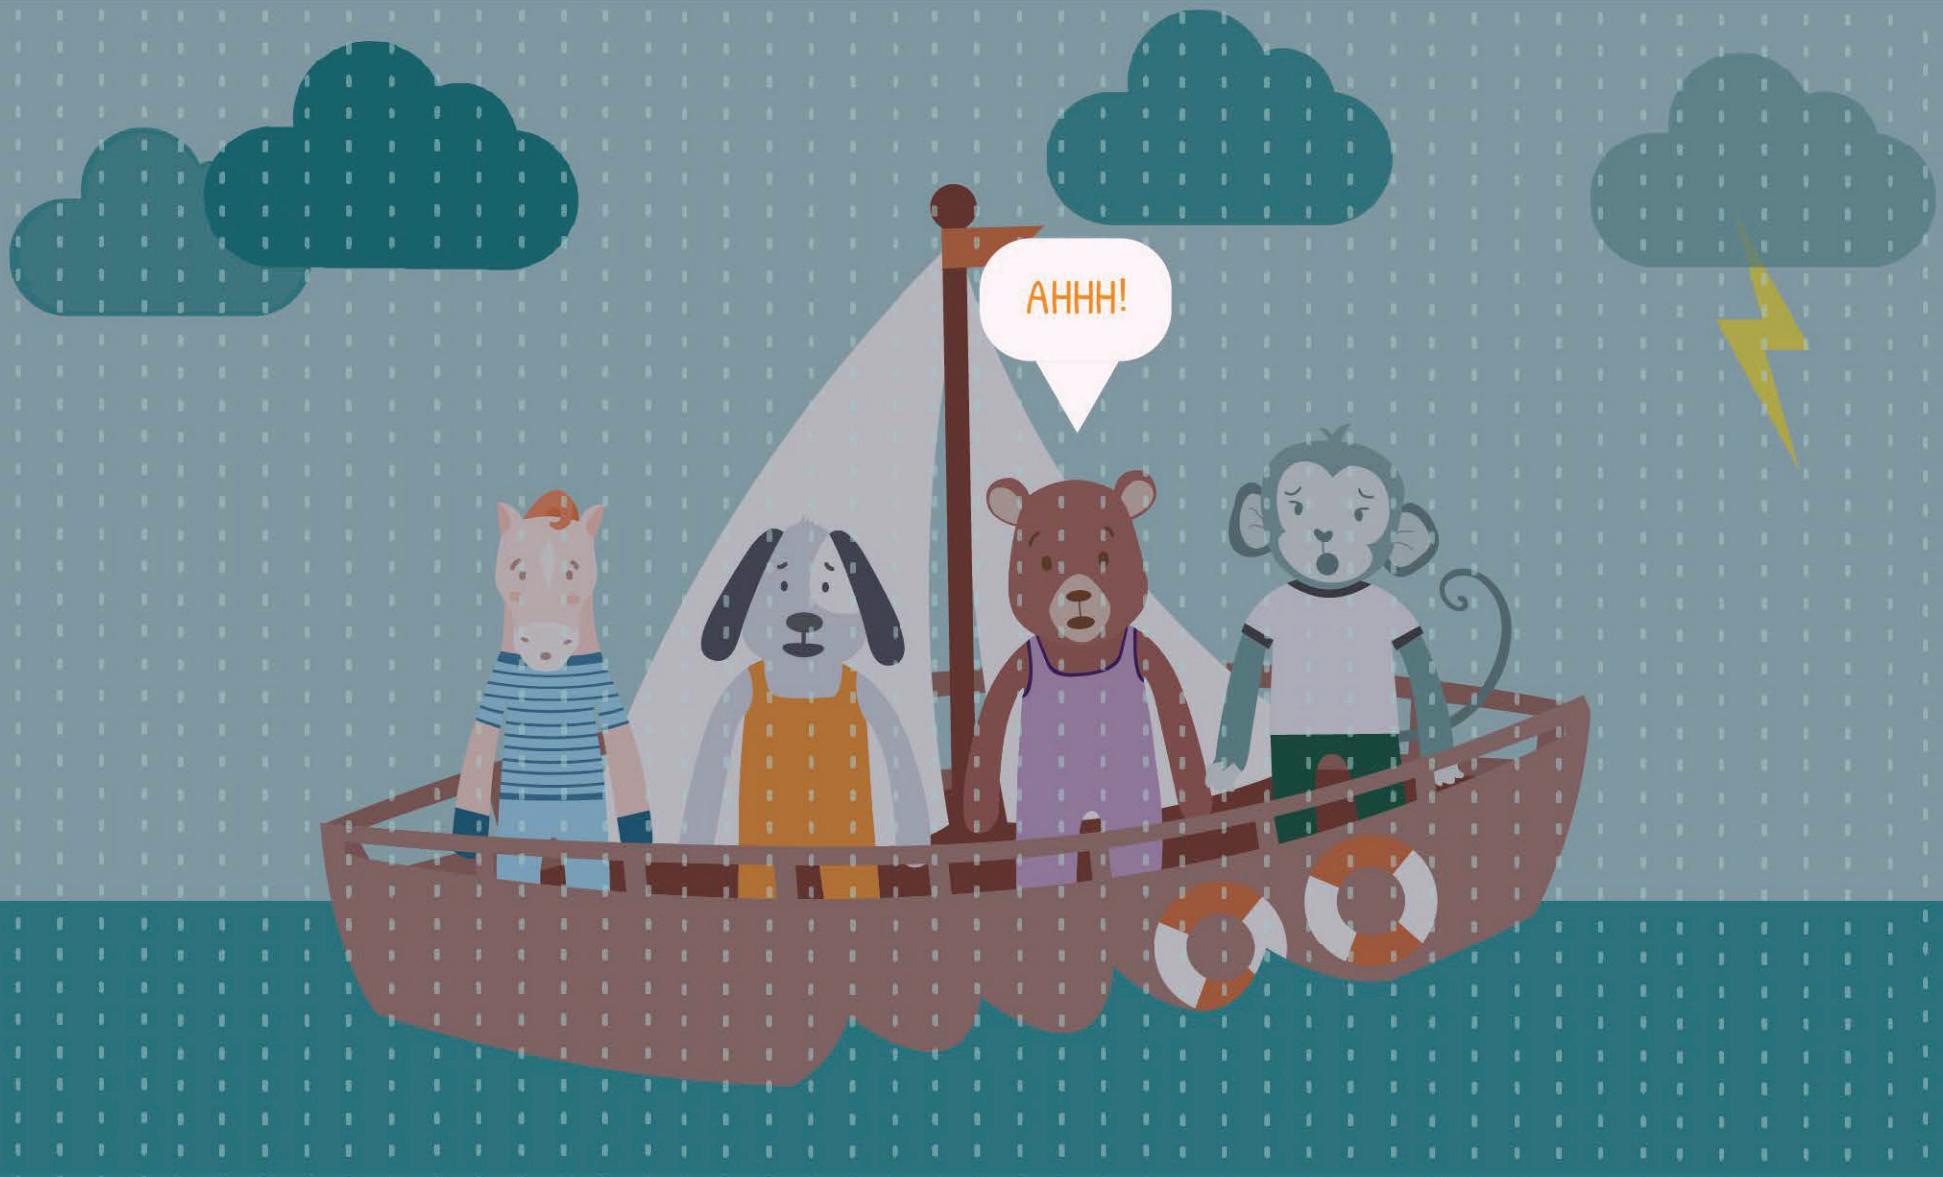

BRACE FOR IMPACT!

The storm hits.

AHHH!

A colorful illustration of four anthropomorphic animals in a small wooden boat on dark blue water. From left to right: a pink horse wearing a blue striped shirt, a grey dog wearing an orange dress, a brown bear wearing a purple tank top, and a monkey wearing a white t-shirt and green shorts. The boat has a white sail with a brown mast and a red flag at the top. The background shows a light blue sky with several dark teal clouds and a single yellow lightning bolt on the right side. A speech bubble originates from the monkey's mouth.

Stay calm, everyone! The storm will pass soon!

The storm passes.

Wow, I'm glad that's over!

I think the sun is starting to come
out! This will be great beach weather!
And speaking of beach weather, are
we getting close, Dog?

No? What happened?

The storm must have
pushed us off-course! It'll
be another few days.

You'll have to be patient--

I don't want to be patient!
Throw Dog overboard!

But I'm so, so, so...

So what, Monkey?

Angry! Our plan is
completely ruined!

It's not completely ruined...

Okay, it's mostly ruined!
But we can make a new plan!

Yes, we can! Let's come up with one right now. What do we feel stuck on right now, Monkey?

We can't make it to
the island on time.

We can't make it on time, but
we will still make it there!
Dog, where are we now?

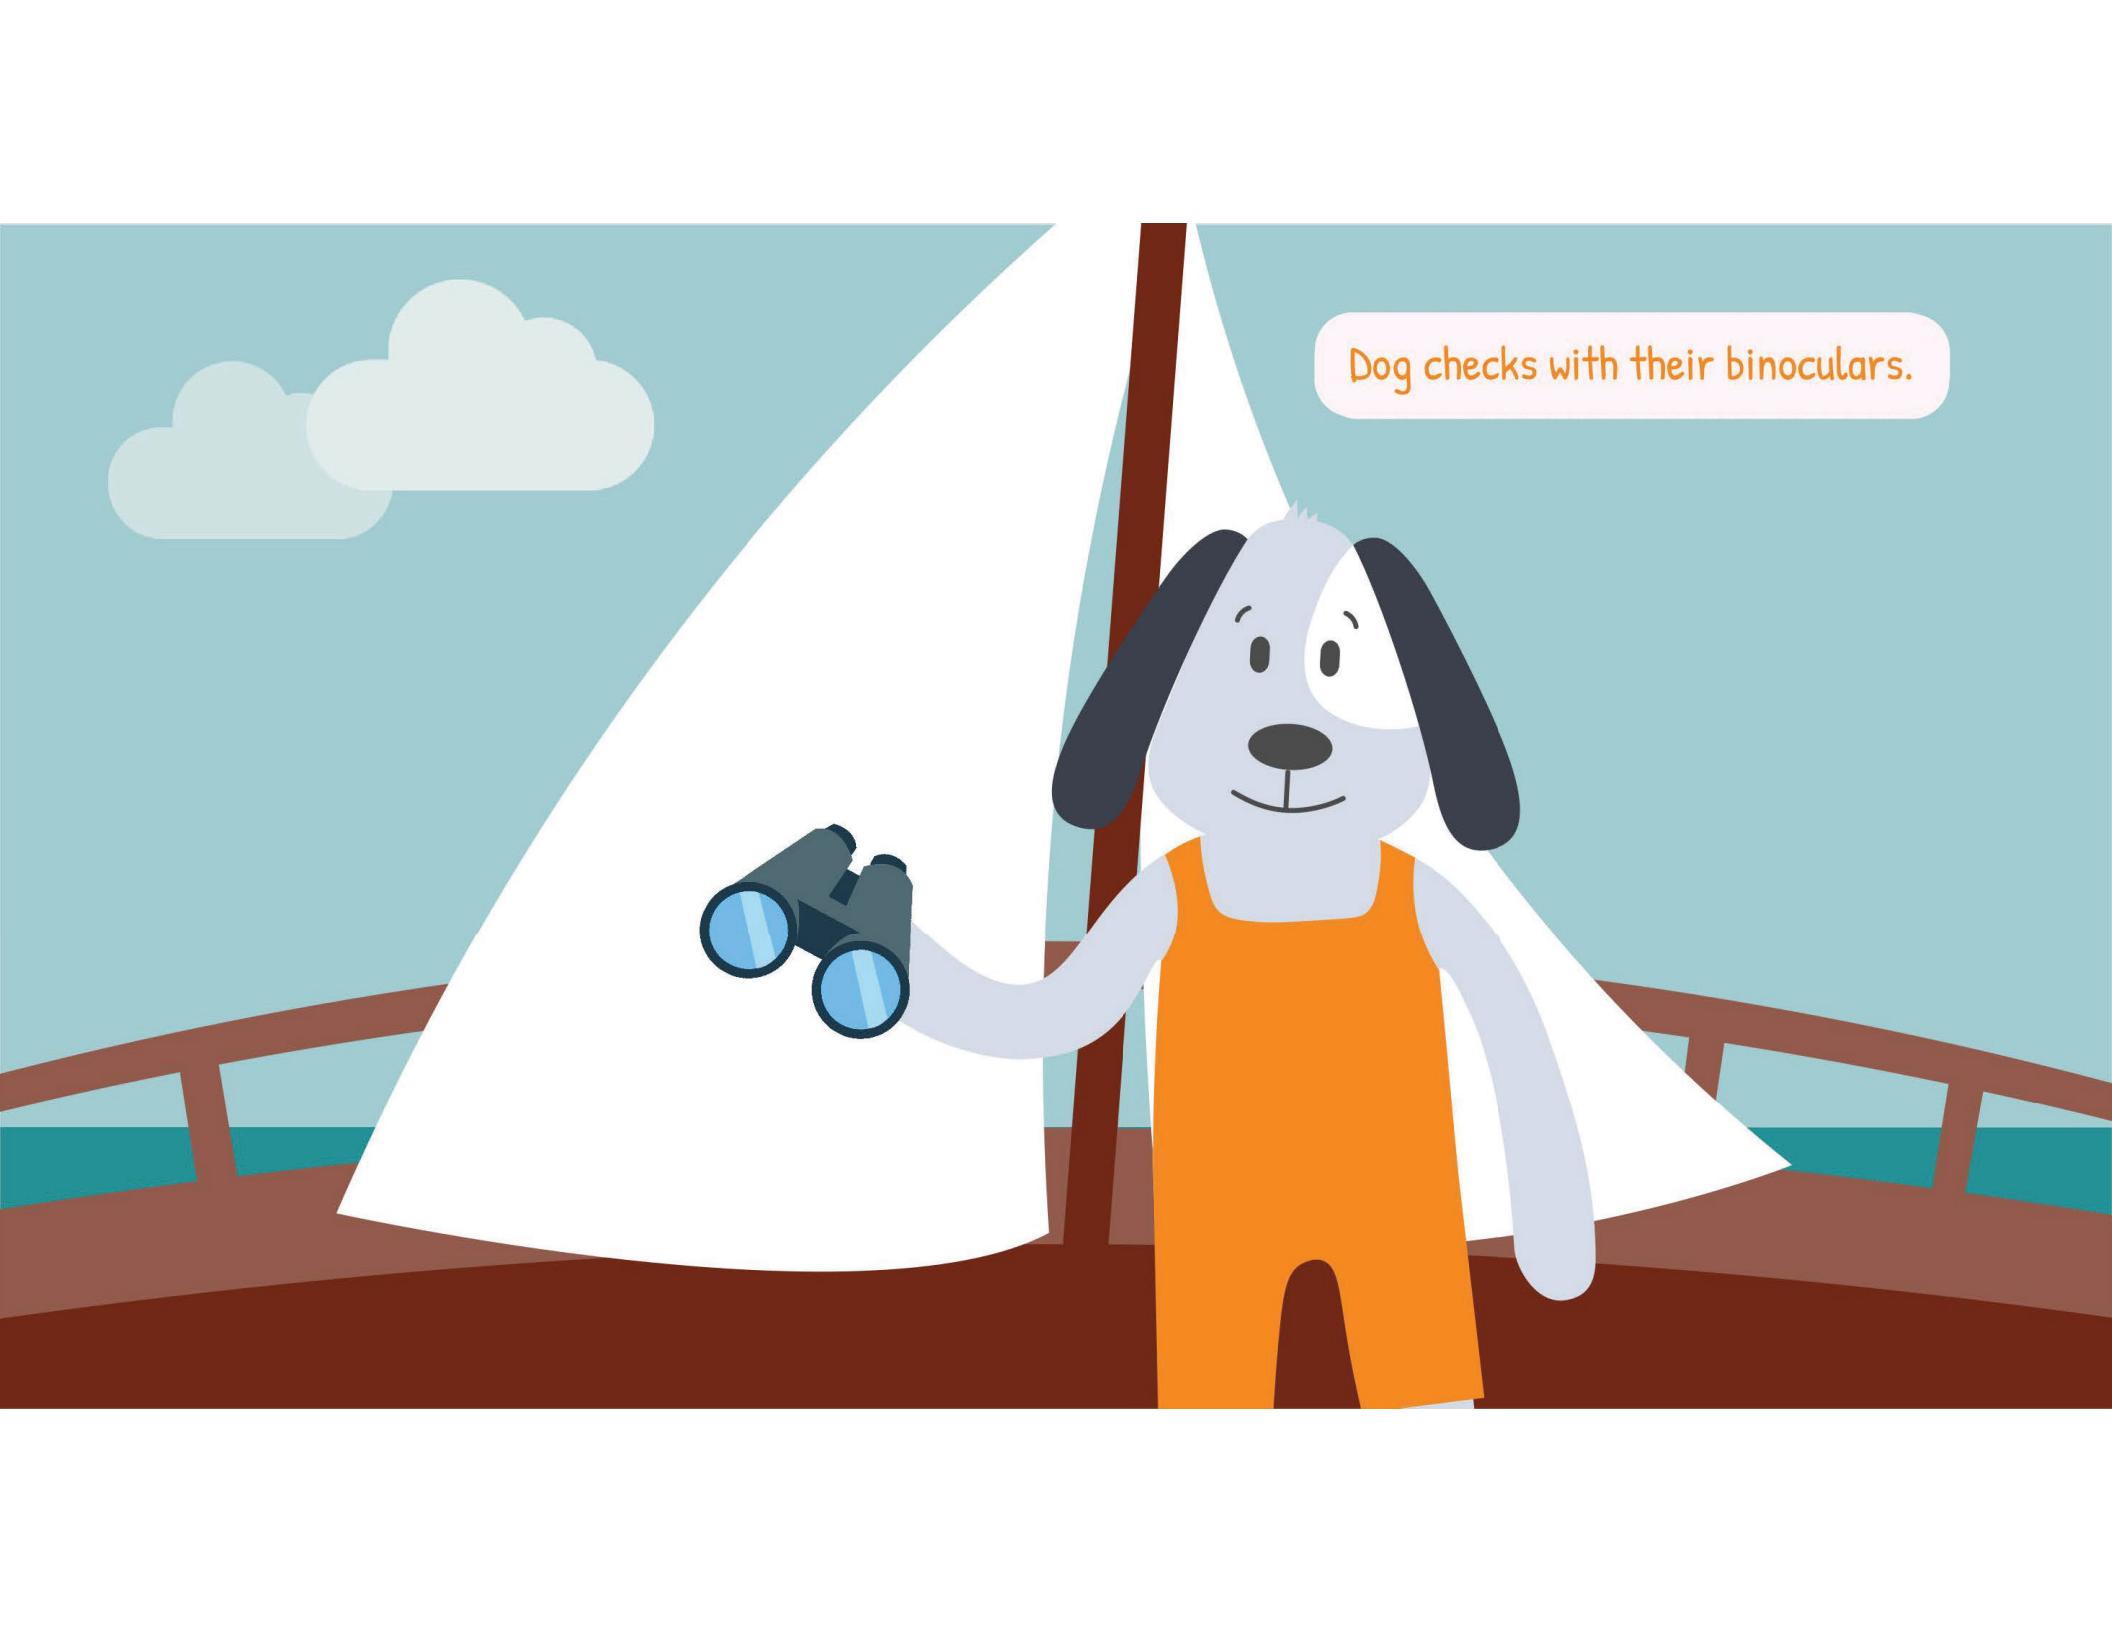

The ocean.

... Dog, how far are we from the island?

Oh! Let me go check!

Dog checks with their binoculars.

It will take three days!

Okay, Monkey, can we last three days?

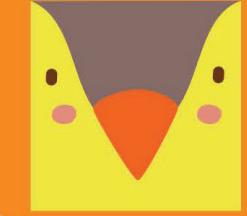

Yes, we'll have enough food until then. We'll just have to spend a little more time on the boat!

So, three days on the boat
until we get to Treasure
Island... we can do that!

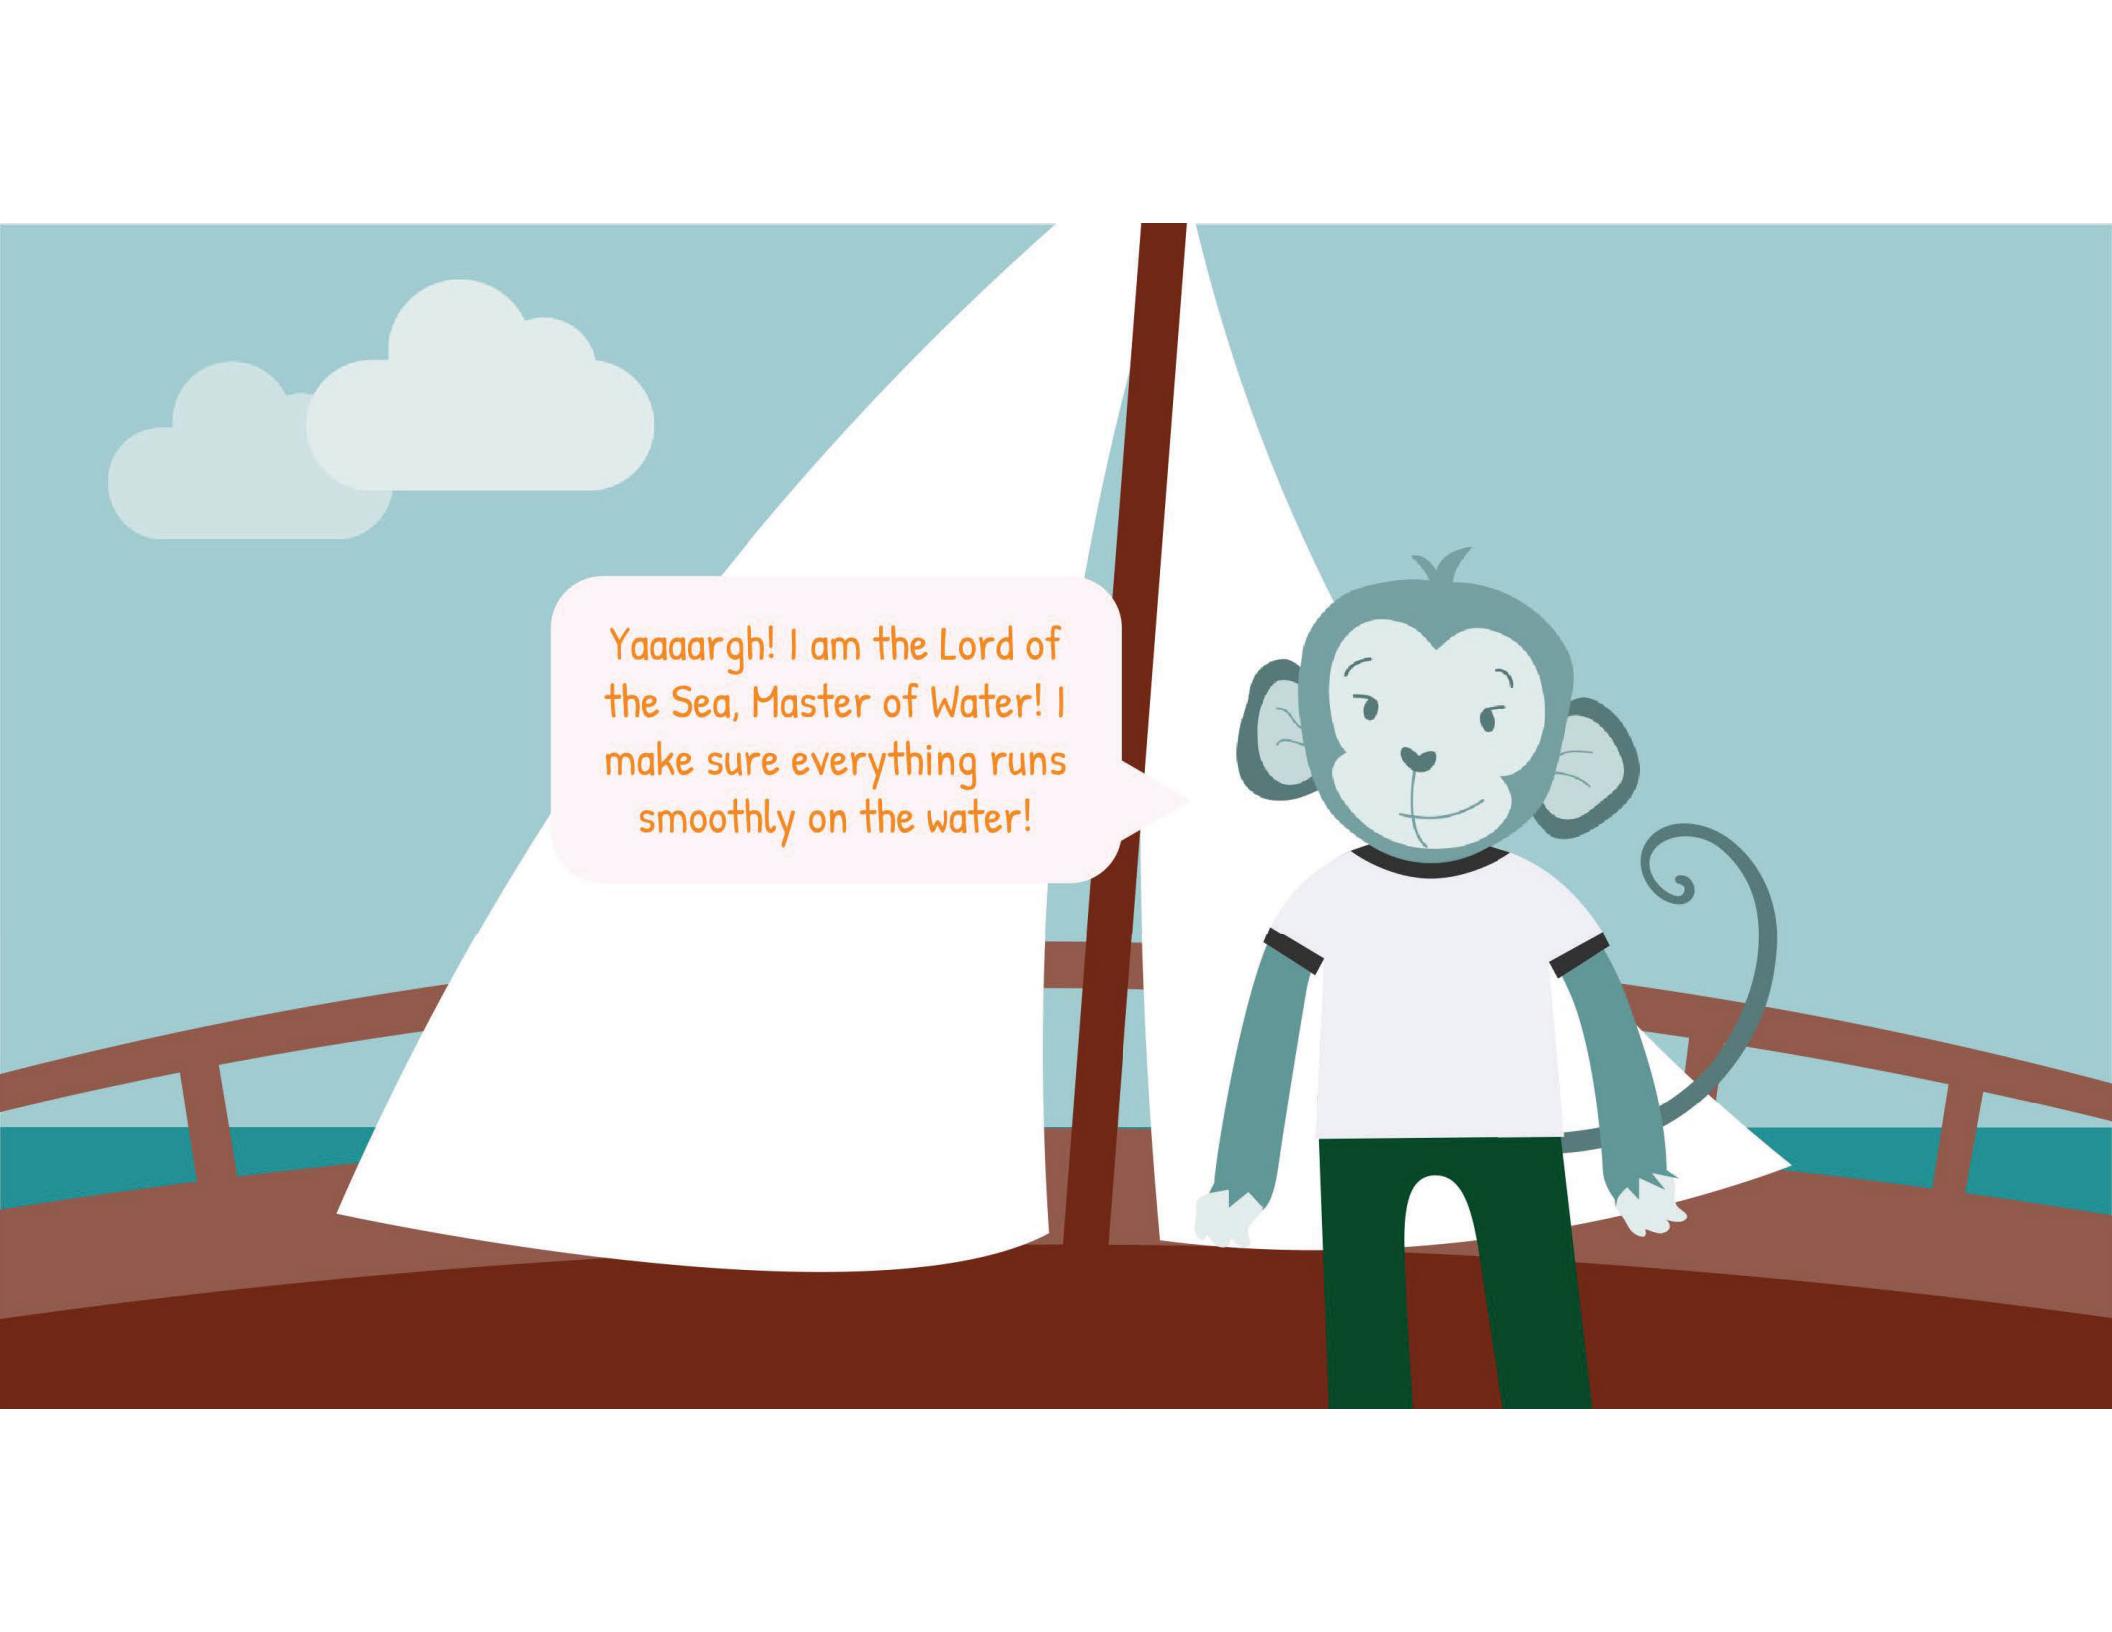

Will they get there in three days?
Will something else happen? The
rest of the story is up to you!

THE END

Yaaaargh! I am the Lord of
the Sea, Master of Water! I
make sure everything runs
smoothly on the water!

Ahoy, mateys! I am the navigator! I make sure the boat is heading in the right direction!

I am the boatswain! I make
sure everything on-board
is ship-shape! If anything
is broken, I fix it!

I am the medic! I make
sure everyone's feeling
alright on the boat!
