

THE WILD WEST

Welcome to the wild, wild west! The land of cacti, cantinas, and coyotes. Monkey's family owns one of the biggest ranches in the whole wide world.

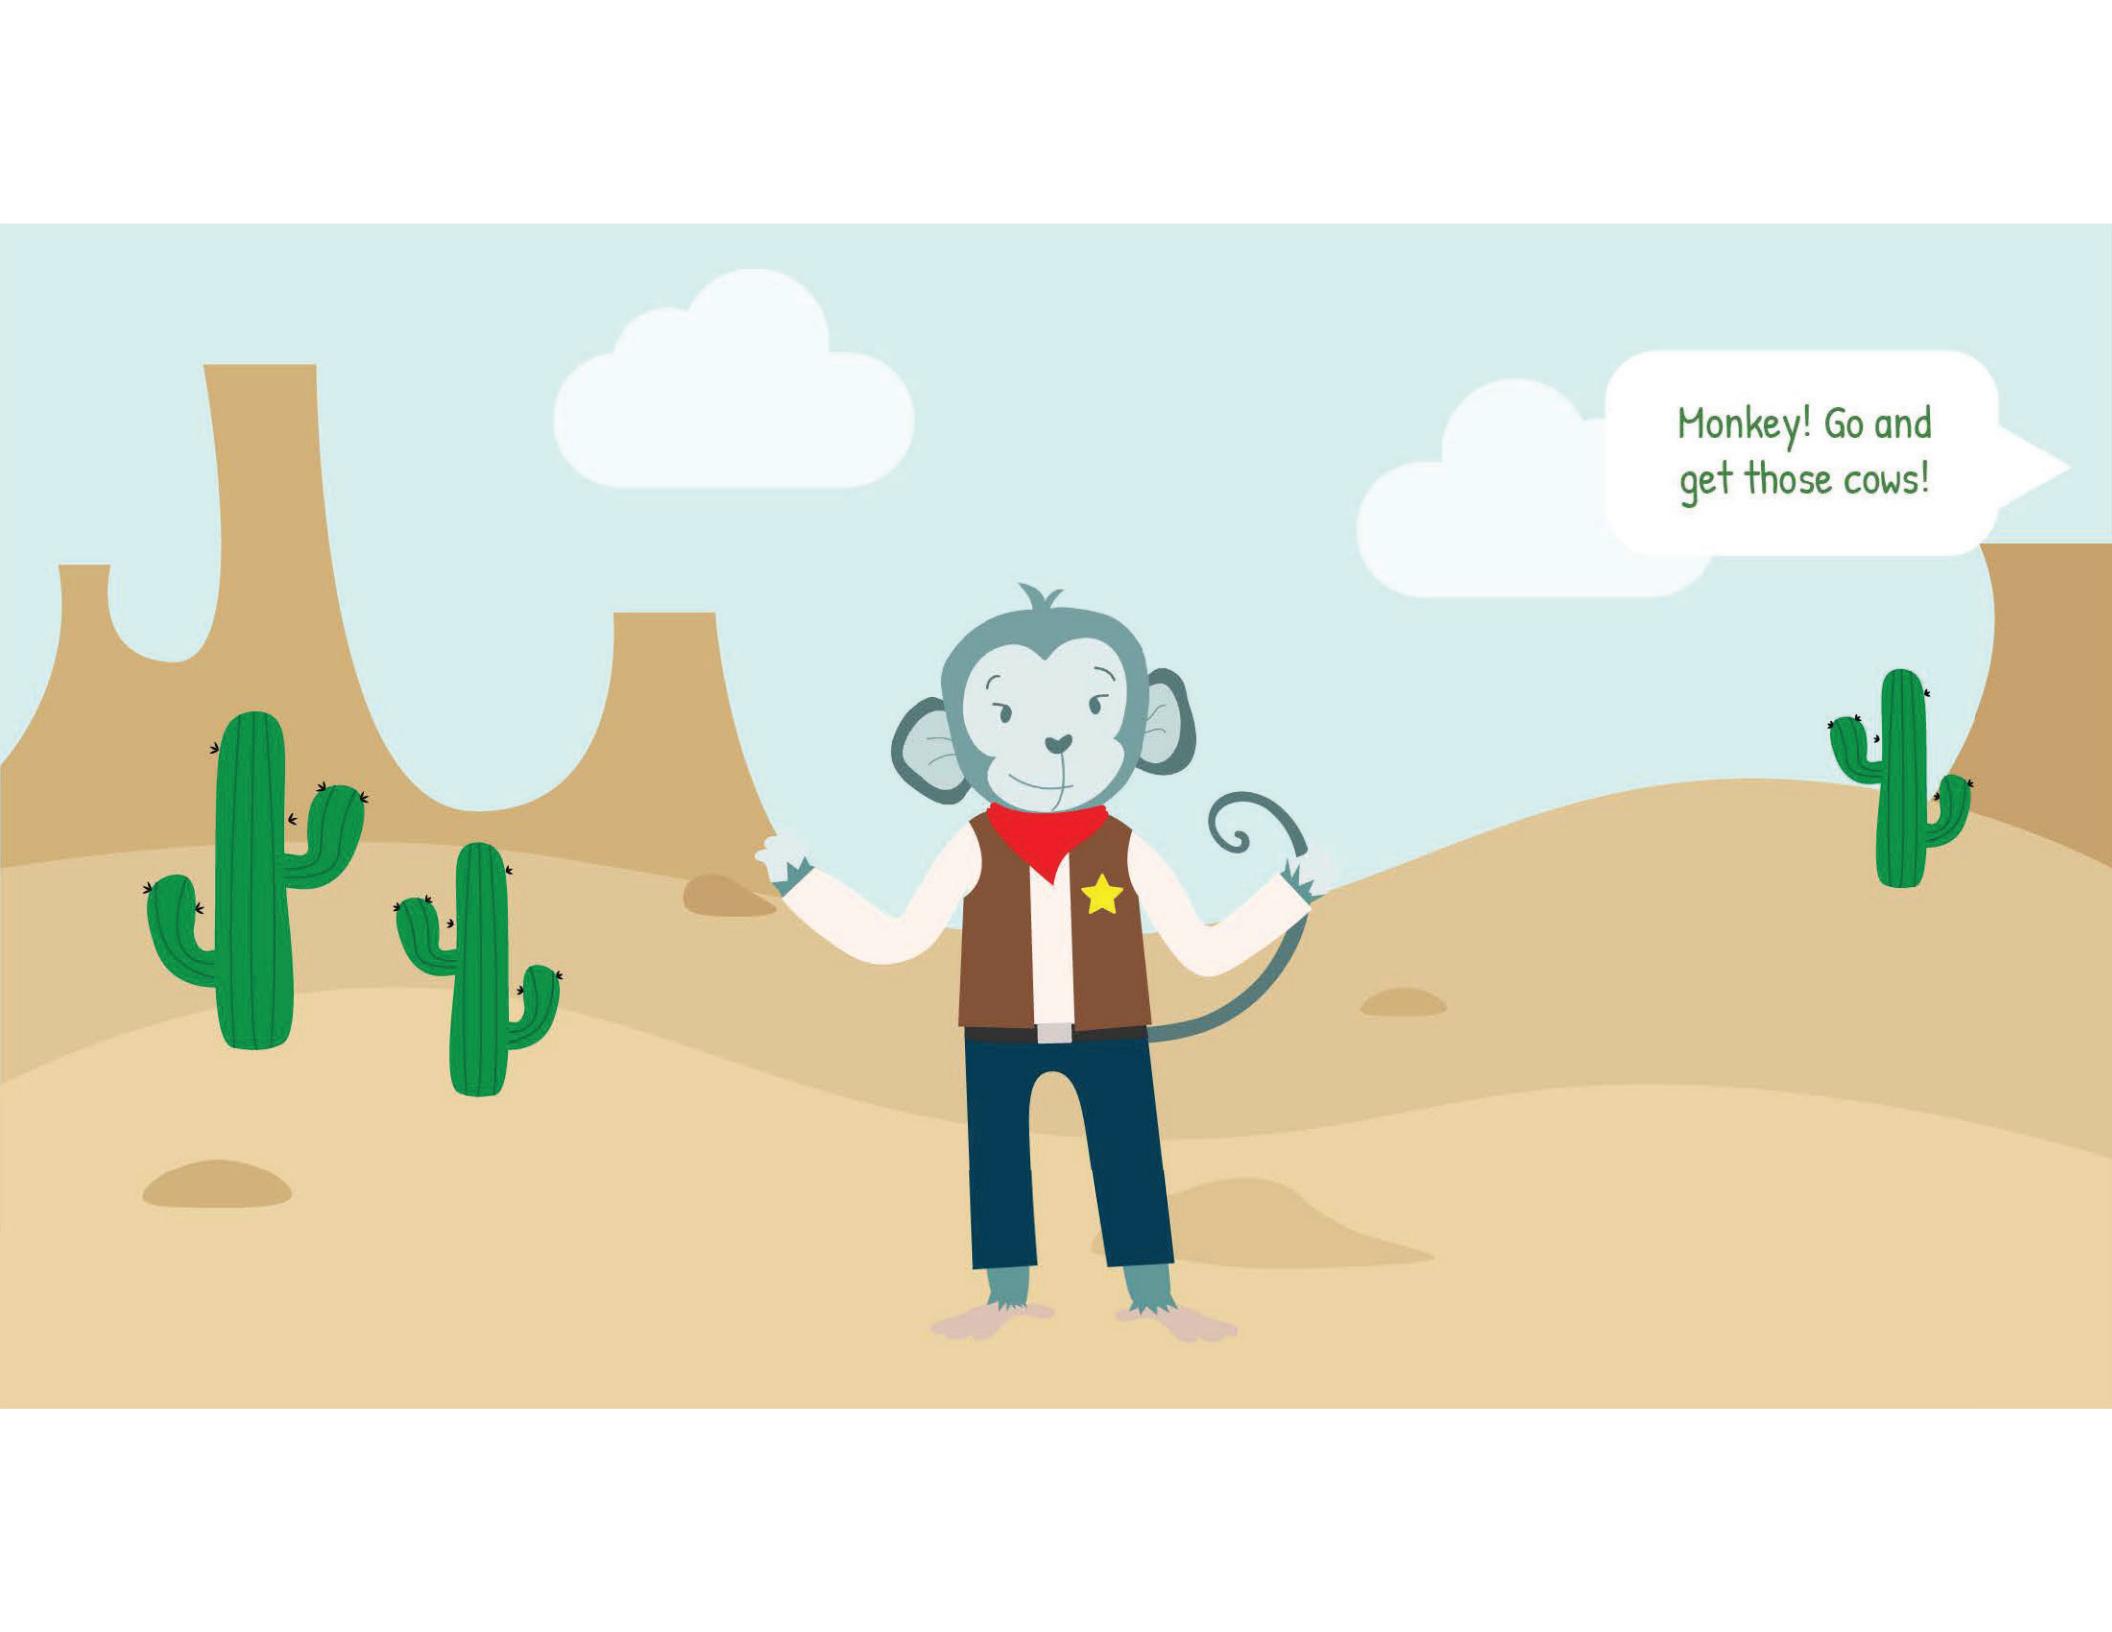

If I had four arms instead
of two, I could hold so
many more bananas.

Monkey? Looks like the cows got out again!
Aren't you out watching them like we asked?
Did you start daydreamin' again?

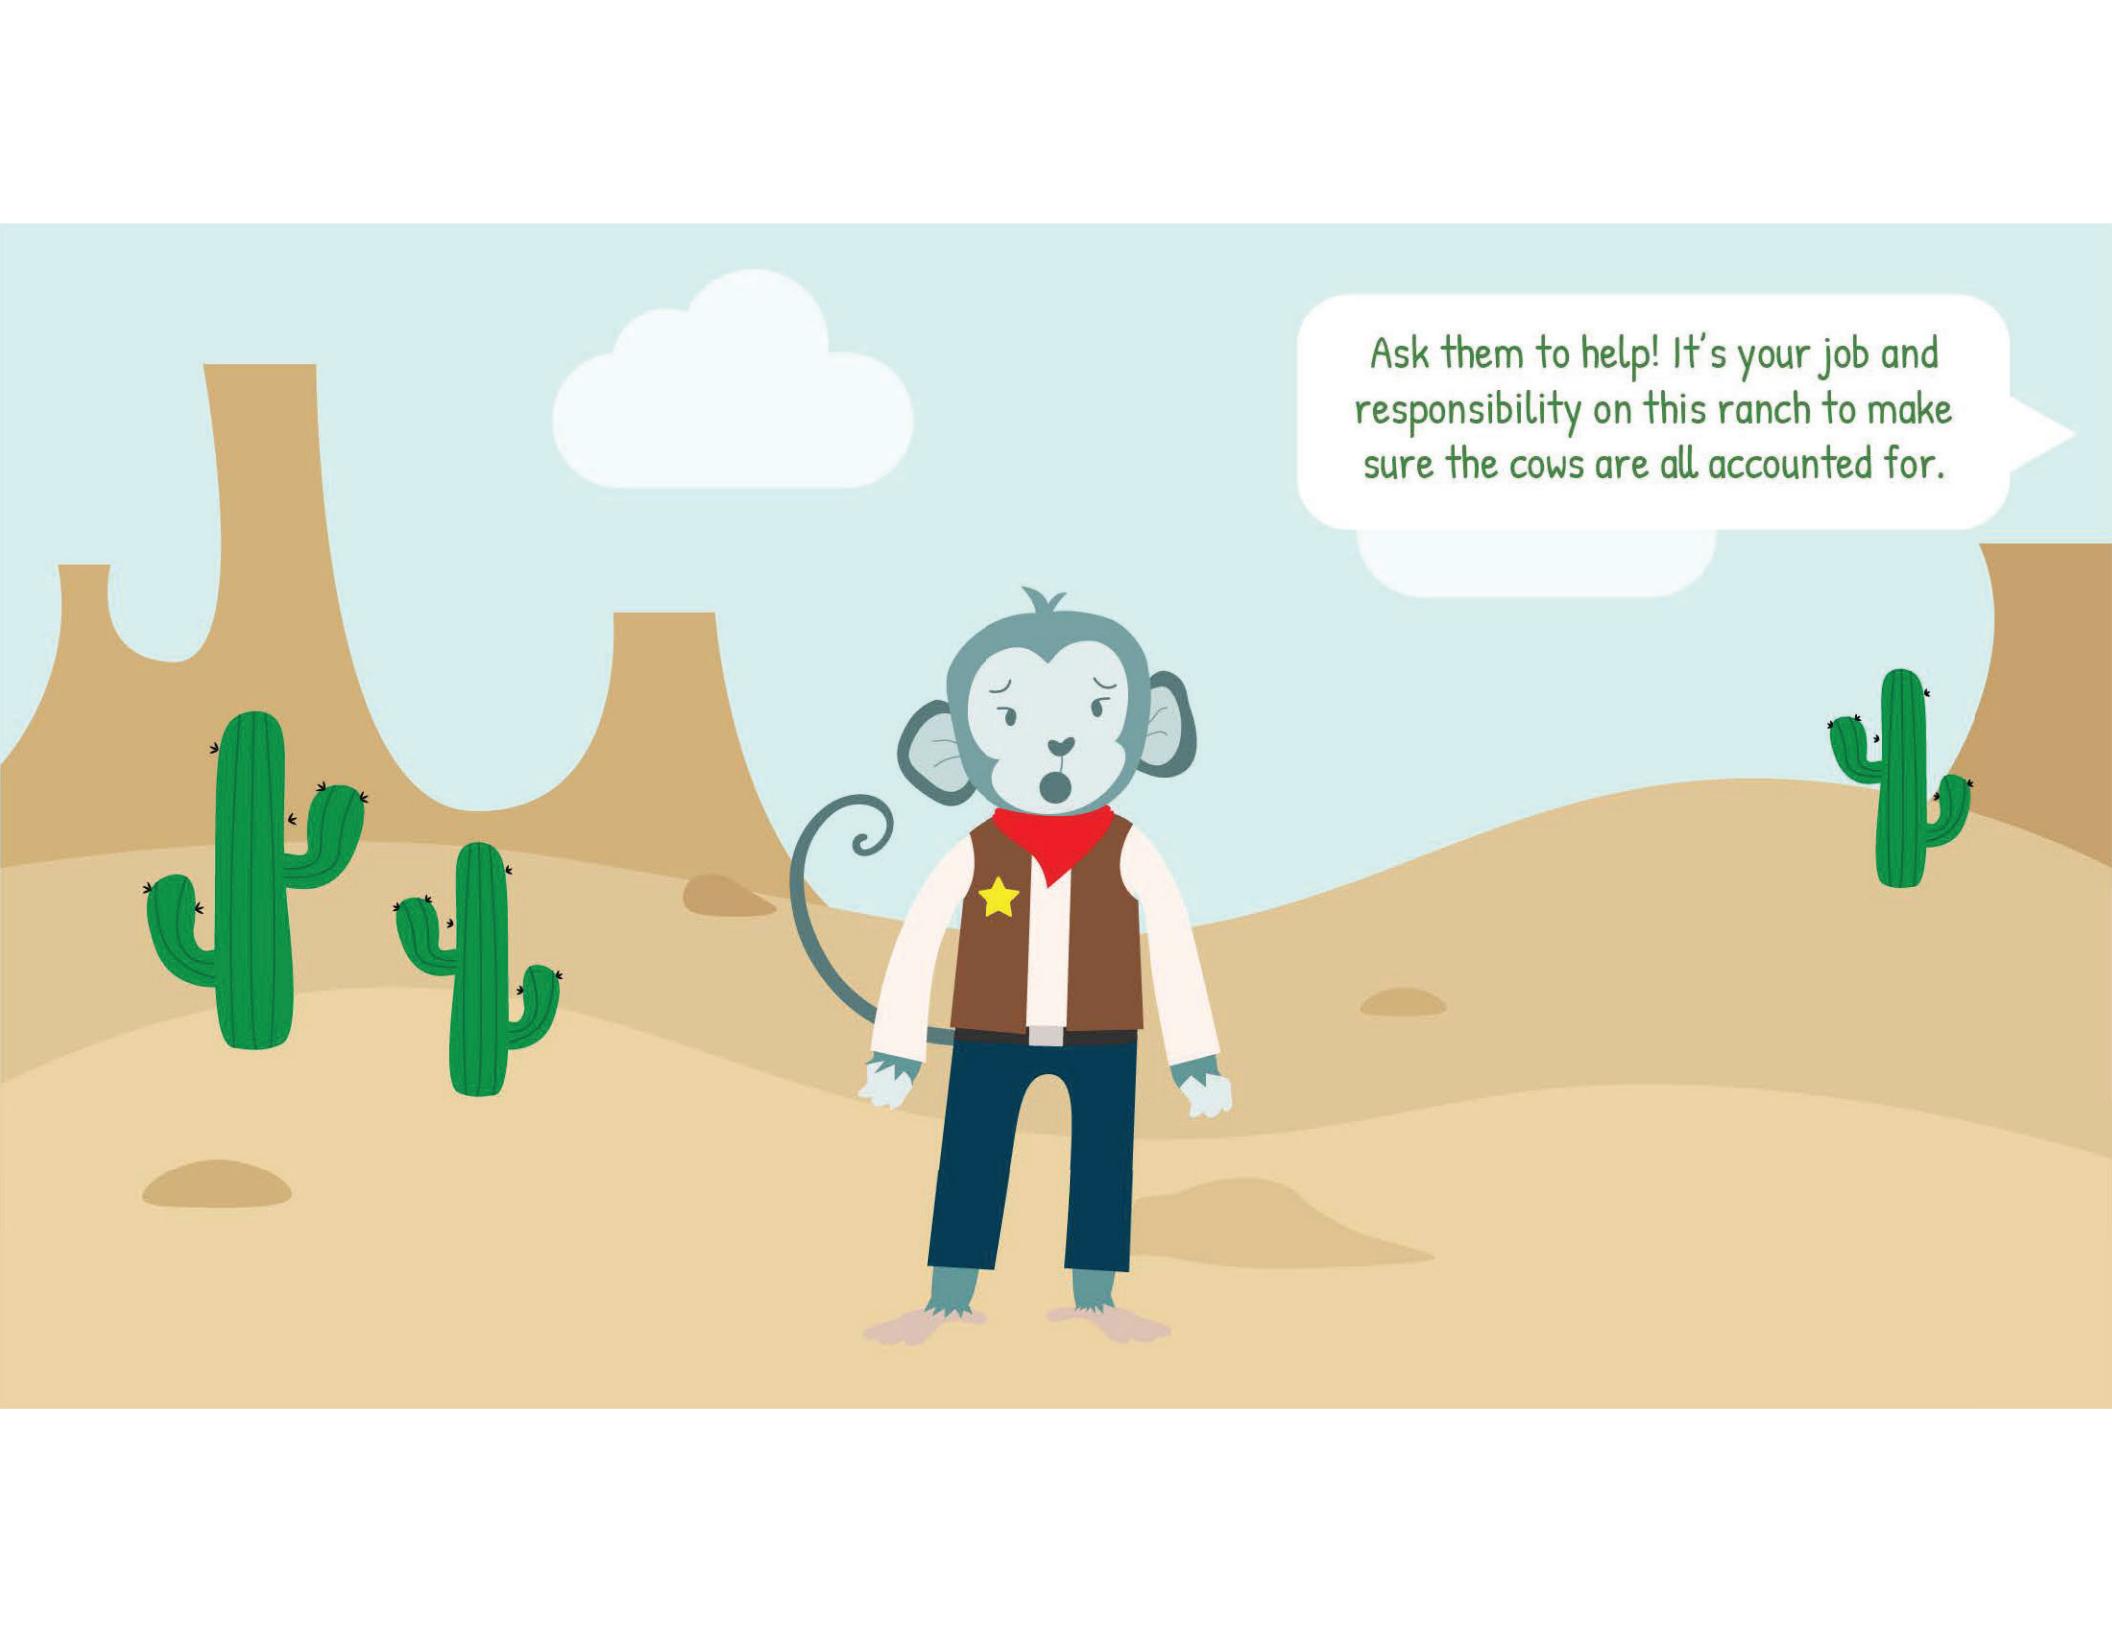

But how many more?
At least two...

Monkey! Go and
get those cows!

But Ma! I was gonna play at the creek
with Horse, Cat, and Dog today.

Ask them to help! It's your job and responsibility on this ranch to make sure the cows are all accounted for.

That's not very fun... But maybe if all my friends are helping me, then we can find the cows quickly and still have time to play in the creek!

Monkey finds Horse, Cat, and Dog, who are playing jacks.

Howdy, y'all! My cows got loose, and I was wonderin' if you could help me find them?

How'd they get loose?

I was paying really close attention,
but they must've snuck away.

Were you actually paying
close attention, Monkey?

Monkey imagines having extra arms to hold extra bananas.

That's not important right now!

Of course we'll help Monkey. The four of us together will find them in no time.

Thanks, guys!

Let's go to town first. Make sure we stay in a group. It's crowded there, and we don't want anyone to get lost.

Hey, the door to this cantina is
broken. Wait a second, that's my
cantina! Y'all seeing this?

When Cat turns around, all their friends are missing.

Great.

We're here! We just
wanted to check out this--

You shouldn't have wandered
away! It's too dangerous!

Well, I could still hear you from over there.

A group of anthropomorphic animals—Horse, Cat, Monkey, and Dog—are standing in front of a stable. Horse is on the left, wearing a light blue shirt and dark blue pants. Cat is next to him, wearing a brown vest over a tan shirt and dark blue pants. Monkey is on the right, wearing a brown vest over a white shirt with a yellow star on the pocket, dark blue pants, and a red bandana. Dog is on the far right, wearing a yellow button-down shirt and brown pants. They are all looking towards the center. A white speech bubble from the Cat contains the text.

But I couldn't see you and it made me feel nervous. Horse, you were the one who said we should stay together. What if any of us got lost like the cows?

Gee, Cat, you're right. I didn't think of it
that way. I'm sorry we made you nervous.
From now on, we'll really stick together.

The group goes inside the cantina to investigate.

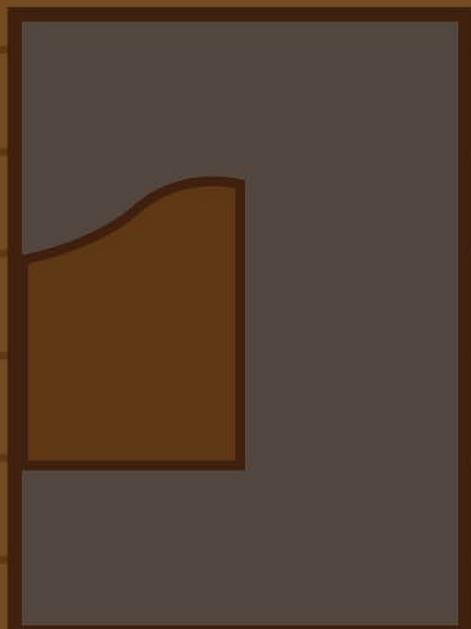

Let's all look around for clues!

Everyone looks around.

What did everyone find?

I saw all the tables were moved!
The cows were certainly here!

10,000

Are those enough clues? We still
don't know where they went...

I sniffed out these hoofprints. They look like they belong to the cows, and they're leading that way!

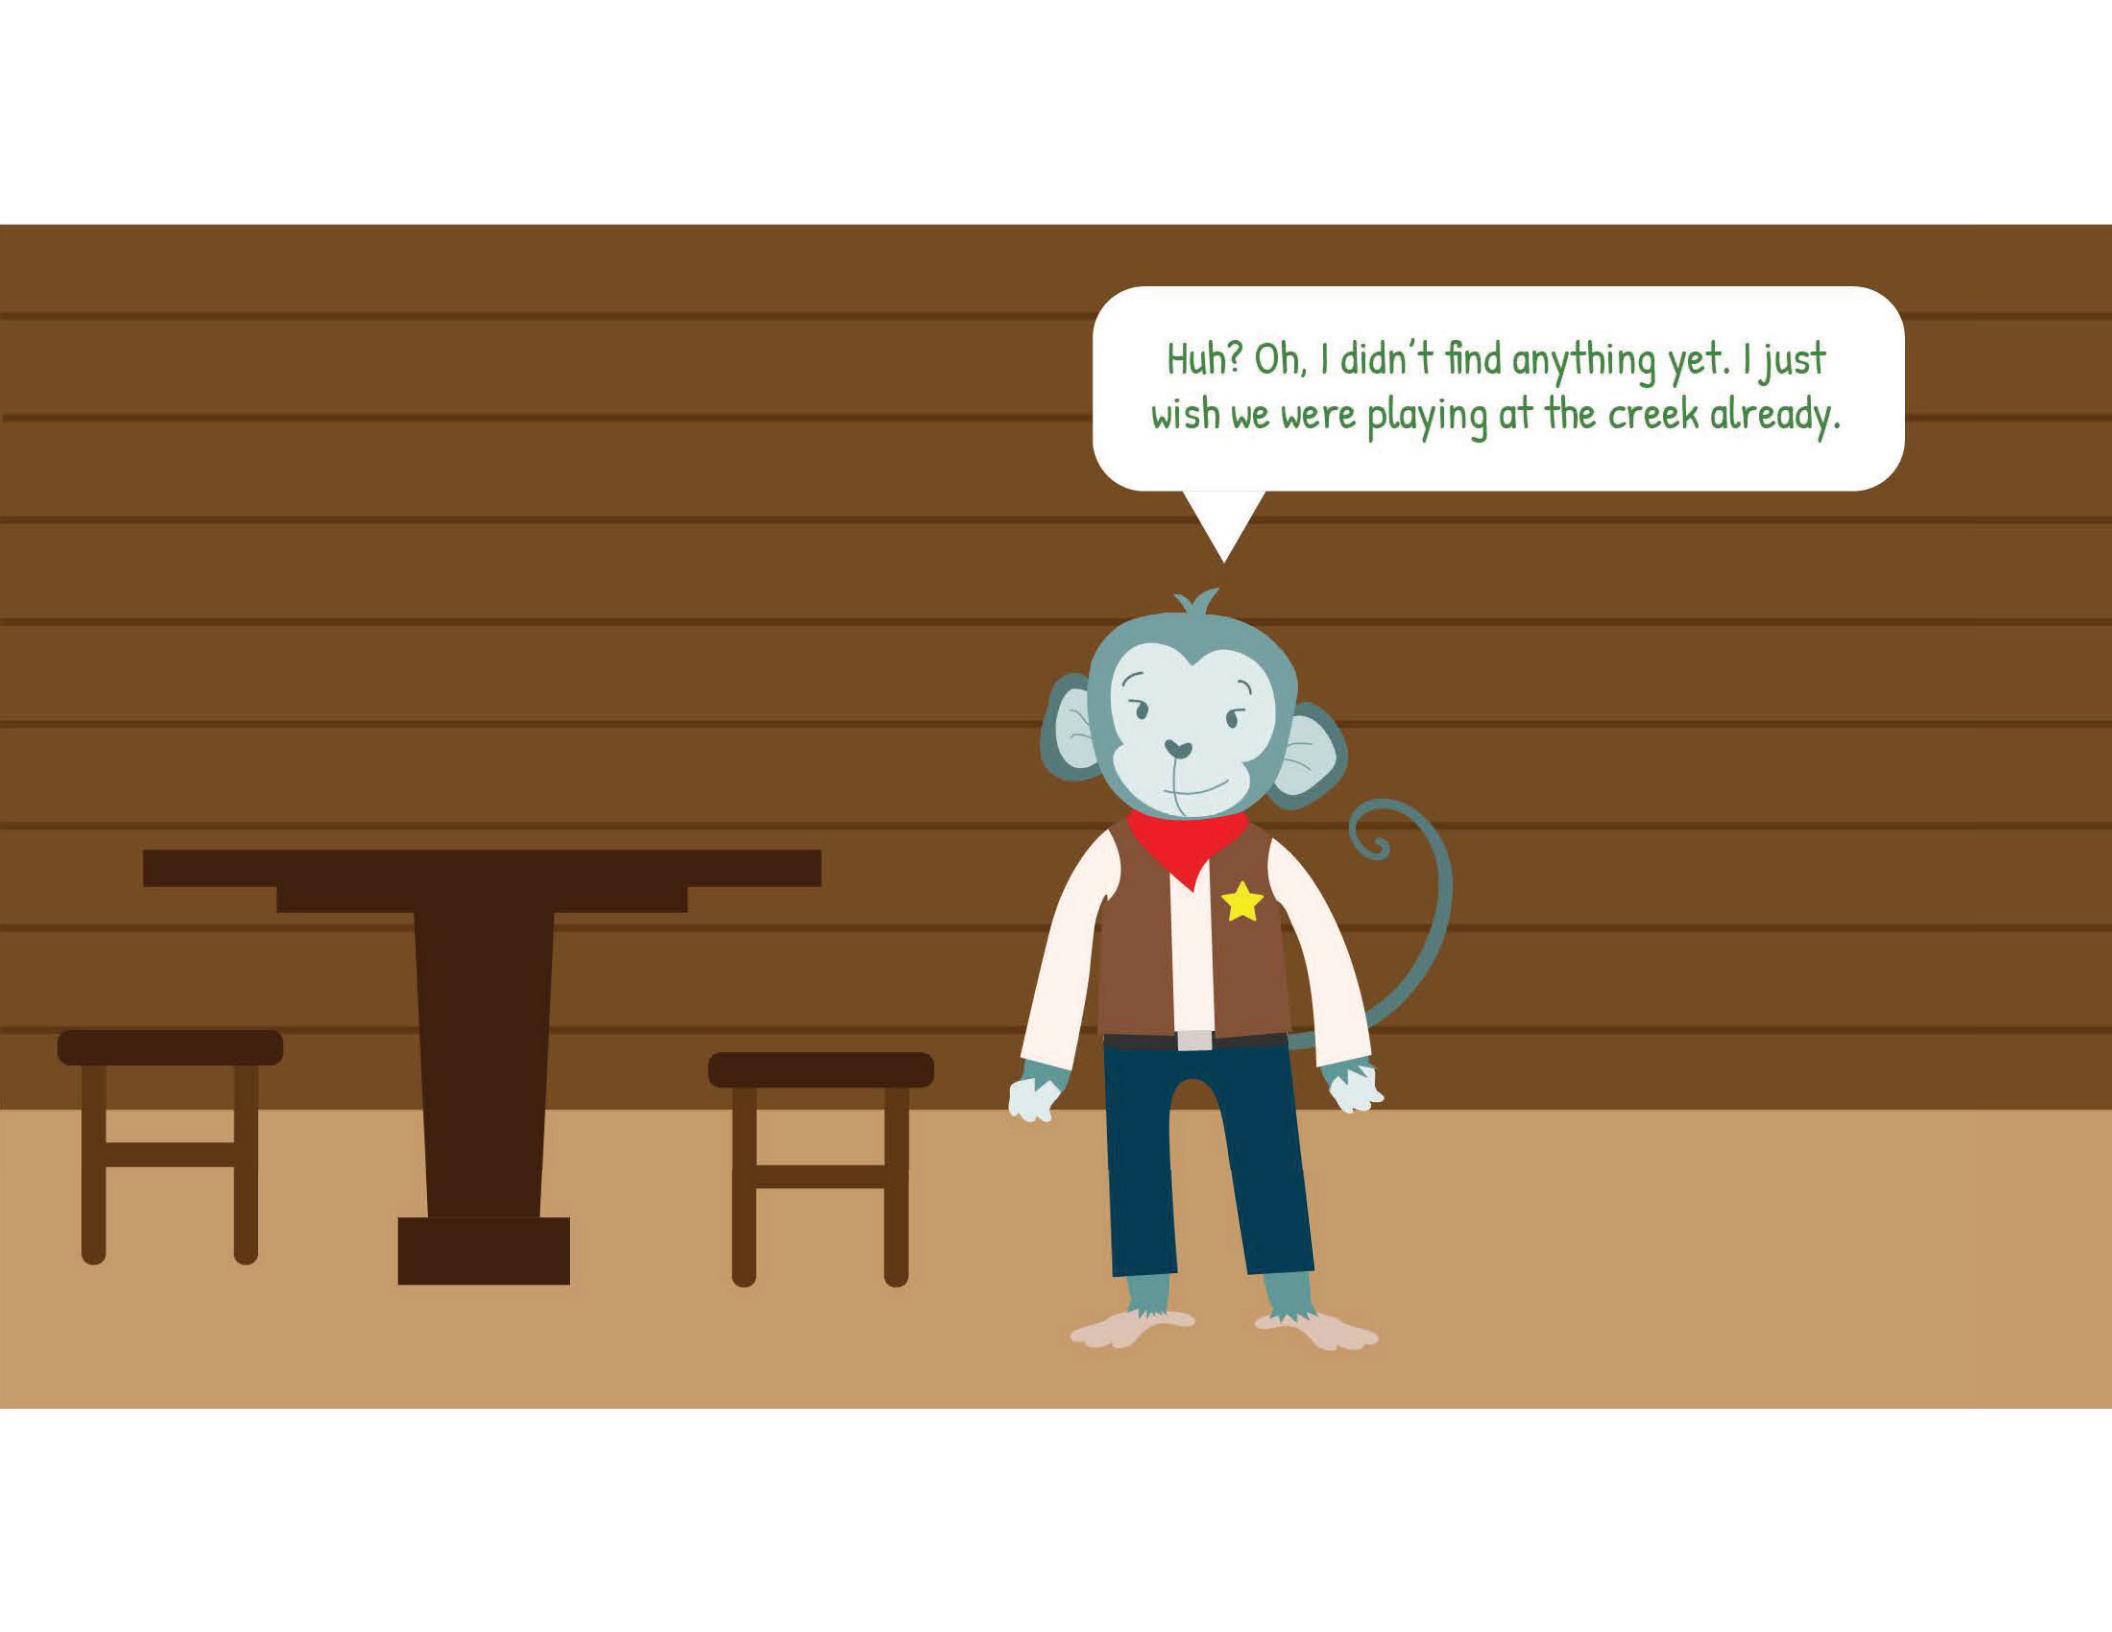

Great job, Dog! What did you find over there, Monkey? Monkey?

Monkey's daydream about swimming in the creek was interrupted.

Huh? Oh, I didn't find anything yet. I just wish we were playing at the creek already.

WANTED

10,000

That's not very helpful, Monkey.

We all came together to find the cows with you, and you're not even helping. That makes me feel unimportant, Monkey.

10,000

What do you mean? I'm right here with you.

You're here, Monkey, but it looks like you're playing pretend. Your eyes weren't even open, and I don't know how you could look for clues without your eyes.

Of course we all want to play at
the creek too, but right now
we're helping you to do your job.

They follow the hoofprints.

Yee-haw! We found the cows!

Thanks for your help, y'all!

No problem!

Now we can play at the creek!

Wait... First we need to get
the cows back to the ranch,
but I don't have a lasso. How
will we get them home?

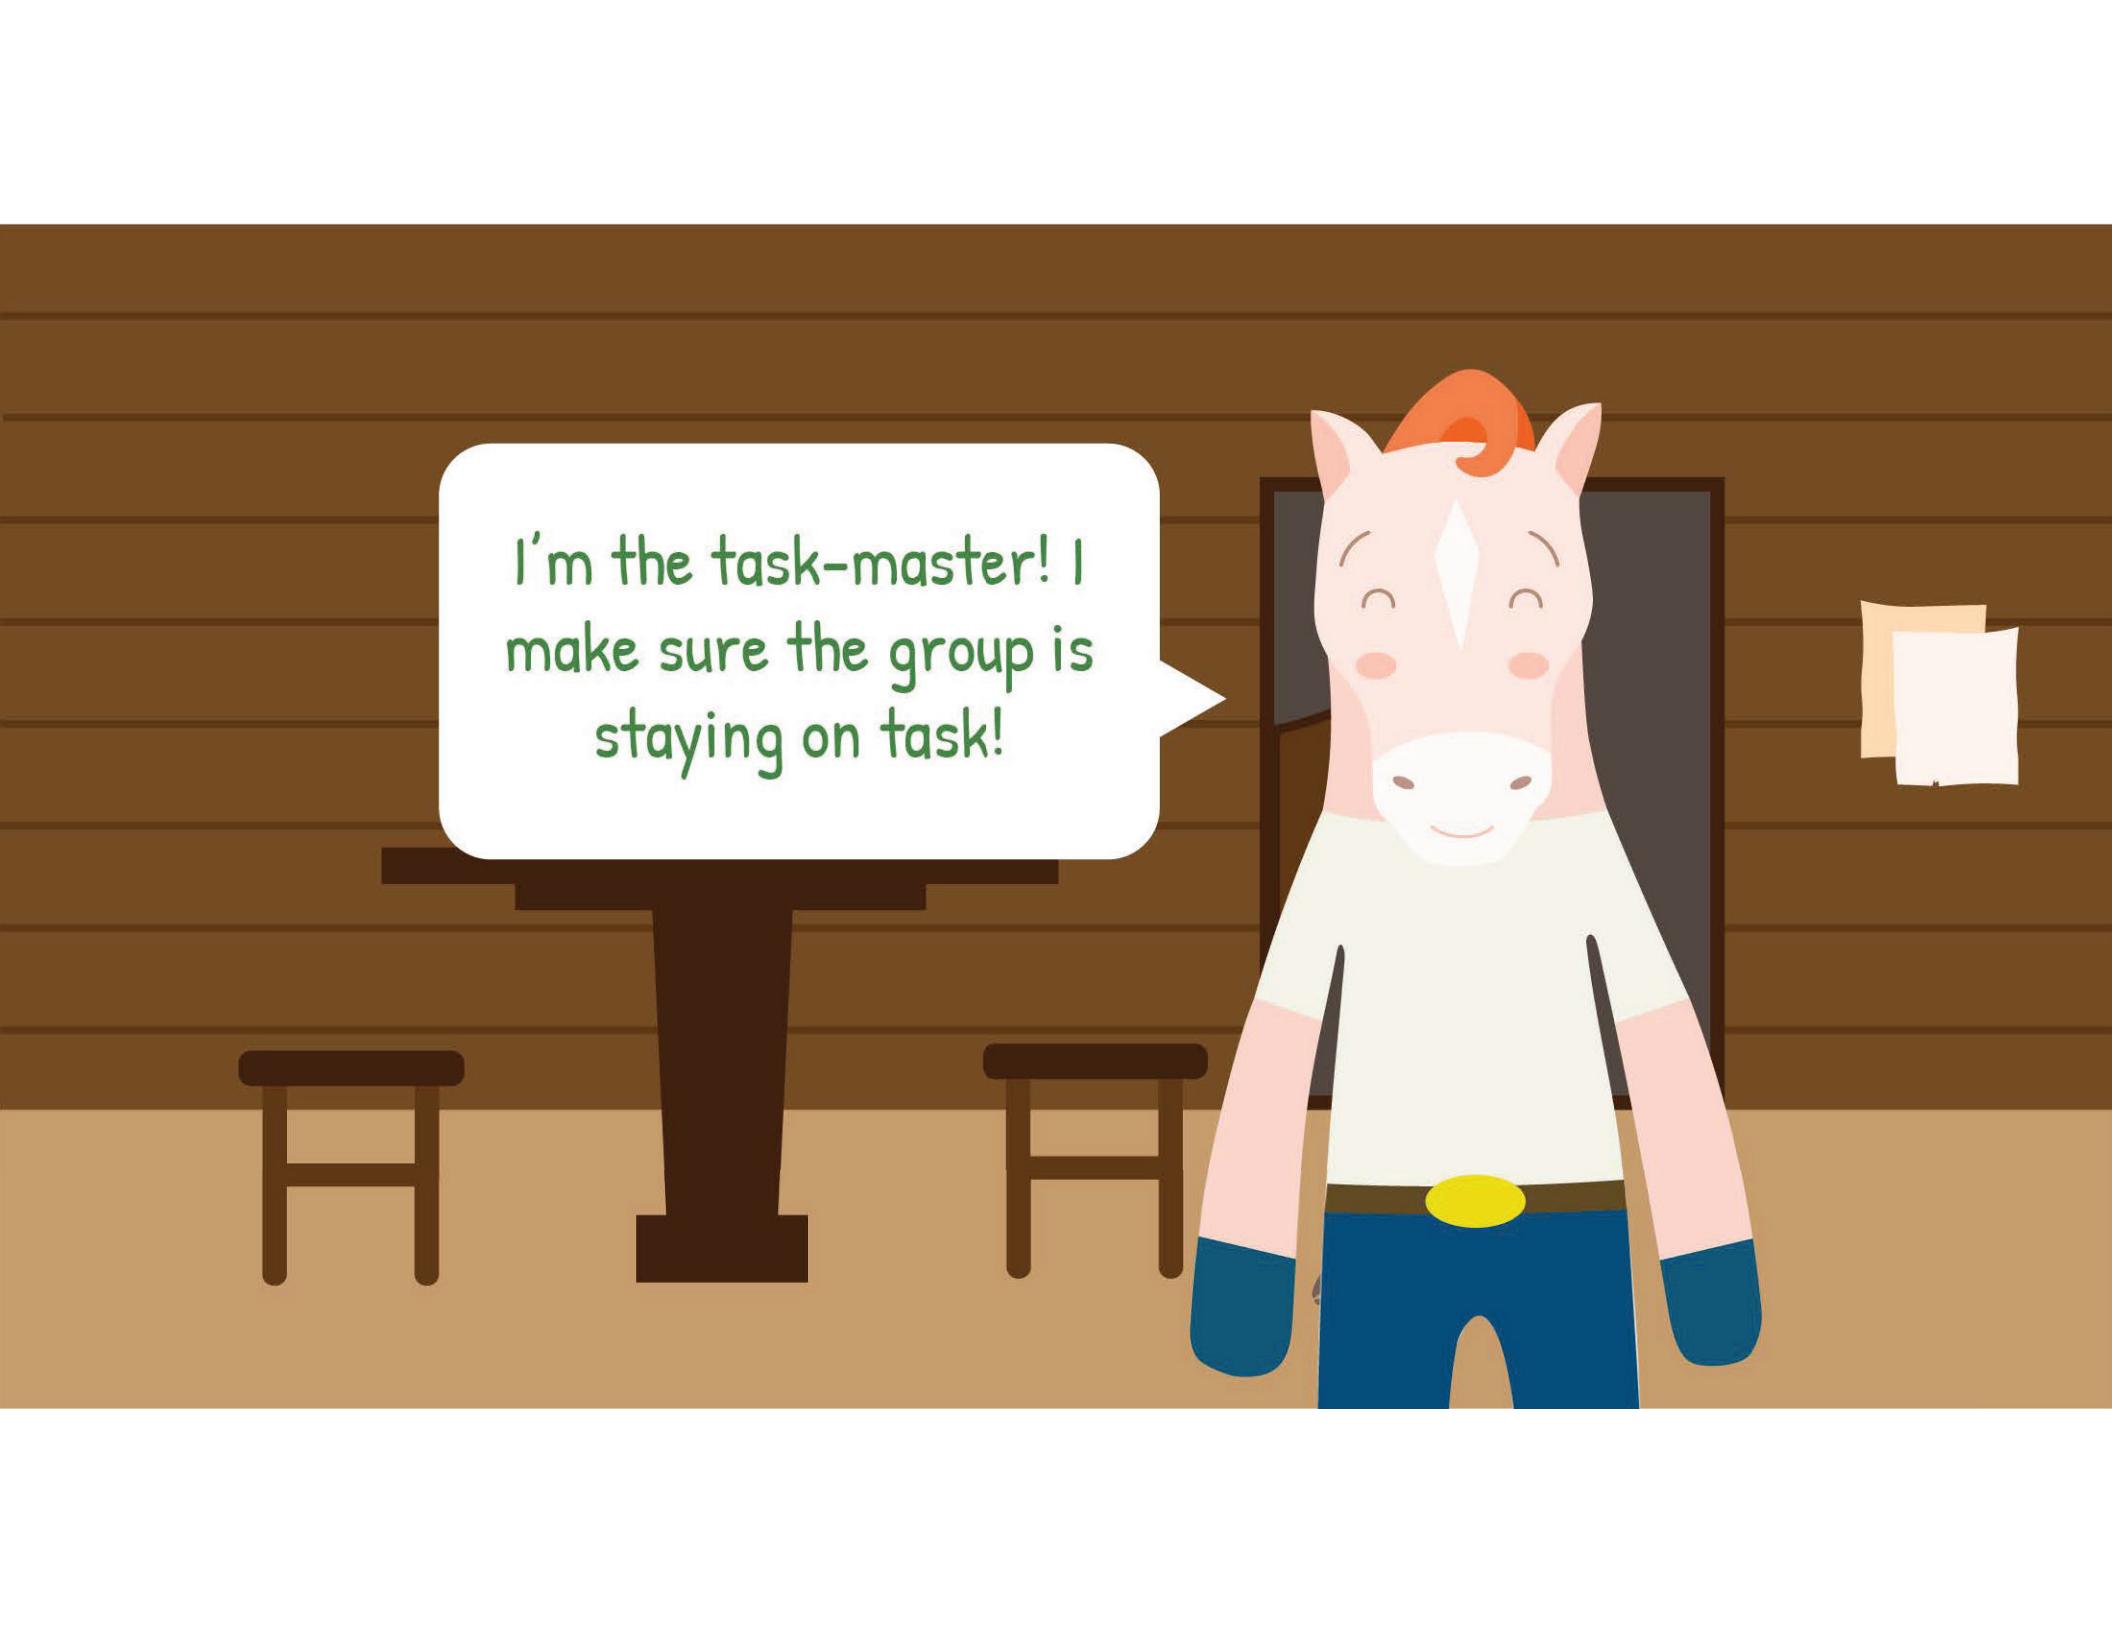

THE END

I'm the rancher! I look
after a lot of cows, but
sometimes I get a
little distracted...

I'm the cantina owner!
I notice when things
change in the cantina,
and I know all the
gossip in town.

I'm the task-master! I
make sure the group is
staying on task!

I'm the searcher.
I'm good at
finding clues.
